

## ISLAND HOPPING

### 5D – 4N SAN CRISTOBAL & SANTA CRUZ ECONOMIC PLAN

#### FRIDAY TO TUESDAY

- DAY 1:** Flight to Galapagos, you arrive at San Cristobal Airport where you will have assistance and drives you in a private bus to ARENA BLANCA's HOTEL, check in, located at 5 minutes from Puerto Baquerizo Moreno Airport. Lunch. Then we are going to start our first visit in **INTERPRETATION CENTER** where we can get knowledge about Galapagos's history in many contexts such as natural, human and conservation one. We will go to **PLAYA MANN** where we will enjoy this beautiful white sand formed by the fragmentation of shells, the clarity of its waters allows to practice snorkeling, back to the hotel. Dinner.
- DAY 2:** After a delicious American breakfast we will go to **TIJERETAS HILL**, here you can see some Frigates nesting, on this hill we found three amazing viewpoints:  
In the first one we can take some photos next to old Second World War cannon, in the second one we will observe The Kicker Rock the most famous place in the island. Back to de hotel. Lunch, in the afternoon we will take you to **LA LOBERIA BEACH** as its name says, in this beach exits a considerable Sea Lion crew so you can take some shoots or just enjoy of its water practicing snorkeling or swimming. Back to Hotel, dinner.
- DAY 3:** Breakfast. Then we will board a high speed boat to navigate to Puerto Ayora on Santa Cruz Island, on our way we will be on the lookout for dolphins and whales. Upon arrival we will visit the **CHARLES DARWIN RESEARCH STATION**, here we will learn about the conservation of the Islands. The station has a tortoise breeding center **called FAUSTO LLERENA, MIGUEL CIFUENTES VISITANS CENTRE and ENVIROMENT EDUCATICON COMMUNITY CENTRE**. In the afternoon: visit **CRACKS**, this landscape is

formed by lava fissures forming two giant walls pierced by an arm filtered brackish water from the top where it mixes with the sea water, is an ideal place for walking, swim and get great photos. Dinner at the hotel.

**DAY 4:** After breakfast, In the morning visit **SANTA CRUZ ISLAND**, the first point of visit is to the **TWINS**, located at 864 meters above sea level (there are two holes cratéricos, created as a result of the collapse of the land surface), here you can see and photograph land birds, especially the woodpecker finch and flycatcher, also surrounded by a forest of Scalesia also enter to the tunnels and continue to Rancho Primicias, where you can see giant tortoises in the wild habitat. In the afternoon after lunch, we will visit **TORTUGA BAY BEACH** (the most length white sand beach in all around archipelago), excellent place for swimming or just walking around the coast. The marine iguanas, sharks, turtles and birds could be watched during the hike. Back to Hotel, dinner.

**DAY 5:** Breakfast, then you will take our bus to the Airport .
